

International Conference on Innovation and Technology in Anaesthesia and Critical Care (ICITAAC 2024) merged with 14th Annual Conference of Central Zone ISACON

The **first-ever international conference** hosted by the Department of Anaesthesiology, **MLB Medical College, Jhansi**, was successfully conducted from **25th to 27th October 2024**. This landmark academic event—**ICITAAC 2024**, merged with **Central Zone ISACON**, brought together experts from across India and abroad.

Under the leadership of **Prof. Anshul Jain** (Organizing Chairperson), **Dr. Chavi Sethi** (Organizing Secretary), and with the able guidance and support of **Dr. N.S. Sengar** (Principal, MLB Medical College Jhansi), the conference set a new benchmark in Bundelkhand's medical academic history. The organizing team was further strengthened by the active contributions of Anesthesia Department faculty Dr. Shivali Pandey (, Dr. Ashok Mittal, Dr. Fahad Suhail, and Dr. Brijendra Verma, whose dedicated efforts played a key role in the success of the event. Department of Medicine under the headship of Dr Kuldeep Chandel, Respiratory medicine (Dr Madhurmay), Radiodiagnosis (Dr Rachna Chaurasia), Obstetrics and Gynecology (Dr Hema J. Shobne) also played the key role in the successful organization.

Key Highlights:

- **Chief Guest:** *Shri Partha Sarthi Sen Sharma, IAS*, Principal Secretary, Medical Education, Uttar Pradesh.
- **Workshops:** 8 hands-on skill-based workshops conducted by faculty from premier institutions like AIIMS, SGPGI, PGI Chandigarh, etc.
- **Scientific Sessions:** Held across five parallel halls named after legendary Indian scientists such as *C.V Raman, Homi Bhabha, Dr. A.P.J. Abdul Kalam*, etc
- **Awards:** Prestigious recognitions like the *Rising Star of Innovation* and *Champions of Innovation* were conferred.
- **Participation:** The event witnessed over **600 registered delegates**, making it the **largest academic gathering in Bundelkhand's medical history**.
- **Support:** The conference was supported by premier funding agencies including ICMR, DBT, and NAMS.

This conference showcased a remarkable blend of academic excellence, technological innovation, and collaborative spirit, reaffirming MLB Medical College's commitment to leadership in medical education and research.
